

FUN WITH FIFTIES ROCK N' ROLL!!! (193)

Fridays, 1:00 p.m. - 2:30 p.m. (4 Classes 7/12 thru 8/2) in Room 30

Tuition \$40

Not just rock, we'll have fun with some great 50's country and with rhythm and blues too. So come enjoy all the music and discussion.

We have a new, premium Internet music service and we may even spin some of your favorite 45s live on-site. With stars like Fats Domino, Elvis Presley, Patsy Cline, the Shirelles, Bobby Rydell, Wanda Jackson, Bobby Darin, Johnny Cash, Sister Rosetta Tharpe, and Chuck Berry. What could be more fun? Bring a chilled Coke or Vernor's, let your smile radiate, and enjoy our cool, happy-sound cure for the summer's heat.

Here are a couple of tunes to get you started:

https://www.youtube.com/watch?v=TK_z73tVbgU (The Jamies, "Summertime, Summertime")

[Robin Luke - Susie Darlin' \(1958\)](#) (Robin Luke, "Susie Darlin'")

Robert Silverman performed a combined total of thirty years of tech support and product development at IBM where he developed patents and products in computer systems security and management, and at JP Morgan Chase where he developed patents for the trading of financial instruments and cryptocurrencies. He has also taught logic and philosophy at Rutgers University and (currently) Hillsborough Community College totaling nineteen years.
